### Terms of Race Entry

The race organisers shall not be liable for any loss, damage, death or personal injury howsoever caused to the owner/competitor, his skipper or crew, as a result of their taking part in the race or races. Moreover, every owner/competitor warrants the suitability of his boat for the race or races. By completing this entry form, participants accept that they are responsible for themselves, their crew, and their boat, whether afloat or ashore. Nothing done by the organisers (ie. the Club, race management team and anyone helping to run the event) will relieve the participants of their responsibilities. By launching (or putting to sea), participants imply the suitability of their boat and the competence of the skipper and crew for the expected or forecast conditions. The provision of patrol craft does not relieve participants of their responsibilities. Neither the establishment of these conditions, their use by the race organisers, nor the inspection of the boat under these conditions in any way limits the absolute responsibility of the owner/competitor. The crew are nonetheless advised to satisfy themselves as to the experience of the skipper and the adequacy of all safety equipment and insurance arrangements.

### Declaration

I agree to be bound by the Racing Rules Of Sailing and all other rules that govern this event. In particular I have read the Notice of Race and confirm that I agree to its provisions and that my boat will conform to its requirements throughout the event. I confirm that there is valid insurance cover in force for the boat for the entire duration of the event and that this includes third party liability cover of at least £3 million.
